

PUBLIC POLICY AGENDA SURVEY

Thank you for taking a moment to provide valuable input & feedback to help us build the Council's issues management agenda & legislative priorities for 2010.

Please encourage other qualified individuals (executives, board members, etc.) from your agency to fill out the survey too.

Please complete the entire survey only ONCE, in one sitting and give careful consideration to each question before proceeding from one page to another. Engaging the "Back" function on your browser to change an answer from a previous page or failing to complete the entire survey in one sitting will skew the overall tabulated results.

The identity of survey respondents will remain anonymous when tabulated results are reported to the Council. Survey results should be finalized for review and discussion at the Council's quarterly meeting on December 3-4, 2009 in San Diego, CA.
